

Holy Cat Whiskers Adoption Policy

- \$90 includes spay/neuter, vaccines, Iams "Welcome Your Cat" kit with a booklet for guidance & coupons
- Kittens are not adopted out before reaching 4 months old
- You **must** provide a letter of reference from your vet - 24 hour wait period
- Renters **must** show proof from landlord that cats are permitted
- All cats/kittens to be indoor only; no de-clawing
- You should you be unable to honor your commitment for the life of the cat; that cat is always welcomed back to HCW.

Cats of all ages reside at HCW - adults make wonderful additions to a home - they are typically calmer & have outgrown that rambunctious kitten stage. However, if a furball of kitten energy is what you need to add to your home, come see our little ones - aged 6 weeks to 8 months.

Welcoming a new pet to your family is one of life's best rewards - and a major responsibility; however, it is not a good idea to get a cat for someone else.
